Mr. Dale R. Kemper
28 Henry Daniels Road
Prospect Hill, NC 27314

RE: Mining Permit Application Property Owner Notification
Pursuant to N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. Kemper:

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC

Scott Martino
Manager, Environmental Compliance

Enclosures:

NOTICE

Pursuant to provisions G.S. 74-50(b1) of The Mining Act of 1971, Notice is hereby given that

Carolina Sunrock LLC

(Applicant Name)

has applied on

8-30-2019

(Date)

to the Division of Energy, Mineral, and Land Resources, North Carolina Department of Environmental Quality,
1612 Mail Service Center, Raleigh, North Carolina 27699-1612, for (check one):

- ☒ a new surface mining permit,
- ☐ a modification of an existing surface mining permit to add land to the permitted area; or
- ☐ a modification of an existing surface mining permit to add land to the permitted area with no disturbance in the area proposed. **Please note that future modification(s) may be submitted by the applicant to allow disturbance within this area without re-notification of adjoining landowners.**

The applicant proposes to mine Aggregate on 630 acres located 4
(Mineral, Ore) (Number) (Miles)
North of Prospect Hill off/near road 1238 Wrenn
(Direction) (Nearest Town) (Number/Name)
in Caswell County.

SEE ATTACHED MAP FOR PROPOSED PERMIT BOUNDARIES AND CORRESPONDING ADJOINING LANDOWNER NAMES AND LOCATIONS

In accordance with G.S. 74-50(b1), the mine operator is required to make a reasonable effort, satisfactory to the Department, to notify all owners of record, both public and private, of all tracts of land that are adjoining the mining permit boundary; if an adjoining tract is owned or leased by the applicant or is owned by the lessor of the mine tract, all owners of record of tracts adjoining these tracts must be notified (that are within 1,000 feet of the mining permit boundary). In addition, the mine operator must also notify the chief administrative officer of the county or municipality in which any part of the permitted area is located. Any person may file written comment(s) to the Department at the above address within thirty (30) days of the issuance of this Notice or the filing of the application for a permit, whichever is later. Should the Department determine that a significant public interest exists relative to G.S. 74-51, a public hearing will be held within 60 days of the end of the 30-day comment period specified above.

A copy of the permit application materials is on file and available for public review during normal business hours at the above listed address as well as at the appropriate regional office. **For information regarding the specifics of the proposed mining activity, please contact the applicant at the following telephone number: (919) 747-6316 or email prospecthill@thesunrockgroup.com.**

For information on the mining permit application review process, please contact the Mining Program staff at (919) 707-9220. Please note that the Department will consider any relevant written comments/documentation within the provisions of the Mining Act of 1971 throughout the application review process until a final decision is made on the application.

In accordance with G.S. 74-50(b1), the mine operator is required to make a reasonable effort, satisfactory to the Department, to notify all owners of record, both public and private, of all tracts of land that are adjoining the mining permit boundary; if an adjoining tract is owned or leased by the applicant or is owned by the lessor of the mine tract, all owners of record of tracts adjoining these tracts must be notified (that are within 1,000 feet of the mining permit boundary). In addition, the mine operator must also notify the chief administrative officer of the county or municipality in which any part of the permitted area is located. Any person may file written comment(s) to the Department at the above address within thirty (30) days of the issuance of this Notice or the filing of the application for a permit, whichever is later. Should the Department determine that a significant public interest exists relative to G.S. 74-51, a public hearing will be held within 60 days of the end of the 30-day comment period specified above.

A copy of the permit application materials is on file and available for public review during normal business hours at the above listed address as well as at the appropriate regional office. **For information regarding the specifics of the proposed mining activity, please contact the applicant at the following telephone number: (919) 747-6316 or email prospecthill@thesunrockgroup.com**

For information on the mining permit application review process, please contact the Mining Program staff at (919) 707-9220. Please note that the Department will consider any relevant written comments/documentation within the provisions of the Mining Act of 1971 throughout the application review process until a final decision is made on the application.

RE: Mining Permit Application Property Owner Notification
Pursuant to provisions N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. & Ms. Hester:

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC

Scott Martino
Manager Environmental Compliance

RE: Mining Permit Application Property Owner Notification
Pursuant to provisions N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. Watson:

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC

Enclosures:

NOTICE

Pursuant to provisions G.S. 74-50(b1) of The Mining Act of 1971, Notice is hereby given that

Carolina Sunrock LLC

(Applicant Name)

has applied on

8-30-2019

(Date)

to the Division of Energy, Mineral, and Land Resources, North Carolina Department of Environmental Quality,
1612 Mail Service Center, Raleigh, North Carolina 27699-1612, for (check one):

- ☒ a new surface mining permit,
- ☐ a modification of an existing surface mining permit to add land to the permitted area; or
- ☐ a modification of an existing surface mining permit to add land to the permitted area with no disturbance in the area proposed. **Please note that future modification(s) may be submitted by the applicant to allow disturbance within this area without re-notification of adjoining landowners.**

The applicant proposes to mine Aggregate on 630 acres located 4
(Mineral, Ore) (Number) (Miles)
North of Prospect Hill off/near road 1238 Wrenn
(Direction) (Nearest Town) (Number/Name)
in Caswell County.

SEE ATTACHED MAP FOR PROPOSED PERMIT BOUNDARIES AND CORRESPONDING ADJOINING LANDOWNER NAMES AND LOCATIONS

In accordance with G.S. 74-50(b1), the mine operator is required to make a reasonable effort, satisfactory to the Department, to notify all owners of record, both public and private, of all tracts of land that are adjoining the mining permit boundary; if an adjoining tract is owned or leased by the applicant or is owned by the lessor of the mine tract, all owners of record of tracts adjoining these tracts must be notified (that are within 1,000 feet of the mining permit boundary). In addition, the mine operator must also notify the chief administrative officer of the county or municipality in which any part of the permitted area is located. Any person may file written comment(s) to the Department at the above address within thirty (30) days of the issuance of this Notice or the filing of the application for a permit, whichever is later. Should the Department determine that a significant public interest exists relative to G.S. 74-51, a public hearing will be held within 60 days of the end of the 30-day comment period specified above.

A copy of the permit application materials is on file and available for public review during normal business hours at the above listed address as well as at the appropriate regional office. **For information regarding the specifics of the proposed mining activity, please contact the applicant at the following telephone number: (919) 747-6316 or email prospecthill@thesunrockgroup.com**

For information on the mining permit application review process, please contact the Mining Program staff at (919) 707-9220. **Please note that the Department will consider any relevant written comments/documentation within the provisions of the Mining Act of 1971 throughout the application review process until a final decision is made on the application.**

RE: Mining Permit Application Property Owner Notification
Pursuant to provisions N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. & Ms. Solomon:

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC

In addition, the mine operator must also notify the chief administrative officer of the county or municipality in which any part of the permitted area is located. Any person may file written comment(s) to the Department at the above address within thirty (30) days of the issuance of this Notice or the filing of the application for a permit, whichever is later. Should the Department determine that a significant public interest exists relative to G.S. 74-51, a public hearing will be held within 60 days of the end of the 30-day comment period specified above.

A copy of the permit application materials is on file and available for public review during normal business hours at the above listed address as well as at the appropriate regional office. **For information regarding the specifics of the proposed mining activity, please contact the applicant at the following telephone number: (919) 747-6316 or email prospecthill@thesunrockgroup.com**

For information on the mining permit application review process, please contact the Mining Program staff at (919) 707-9220. **Please note that the Department will consider any relevant written comments/documentation within the provisions of the Mining Act of 1971 throughout the application review process until a final decision is made on the application.**

RE: Mining Permit Application Property Owner Notification
Pursuant to provisions N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. Wilkinson jr:

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC

In accordance with G.S. 74-50(b1), the mine operator is required to make a reasonable effort, satisfactory to the Department, to notify all owners of record, both public and private, of all tracts of land that are adjoining the mining permit boundary; if an adjoining tract is owned or leased by the applicant or is owned by the lessor of the mine tract, all owners of record of tracts adjoining these tracts must be notified (that are within 1,000 feet of the mining permit boundary). In addition, the mine operator must also notify the chief administrative officer of the county or municipality in which any part of the permitted area is located. Any person may file written comment(s) to the Department at the above address within thirty (30) days of the issuance of this Notice or the filing of the application for a permit, whichever is later. Should the Department determine that a significant public interest exists relative to G.S. 74-51, a public hearing will be held within 60 days of the end of the 30-day comment period specified above.

A copy of the permit application materials is on file and available for public review during normal business hours at the above listed address as well as at the appropriate regional office. **For information regarding the specifics of the proposed mining activity, please contact the applicant at the following telephone number: (919) 747-6316 or email prospecthill@thesunrockgroup.com**

For information on the mining permit application review process, please contact the Mining Program staff at (919) 707-9220. Please note that the Department will consider any relevant written comments/documentation within the provisions of the Mining Act of 1971 throughout the application review process until a final decision is made on the application.

RE: Mining Permit Application Property Owner Notification
Pursuant to provisions N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. Dougherty & Ms. Leith:

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC

Enclosures:

NOTICE

Pursuant to provisions G.S. 74-50(b1) of The Mining Act of 1971, Notice is hereby given that

Carolina Sunrock LLC

(Applicant Name)

has applied on

8-30-2019

(Date)

to the Division of Energy, Mineral, and Land Resources, North Carolina Department of Environmental Quality,
1612 Mail Service Center, Raleigh, North Carolina 27699-1612, for (check one):

- ☒ a new surface mining permit,
- ☐ a modification of an existing surface mining permit to add land to the permitted area; or
- ☐ a modification of an existing surface mining permit to add land to the permitted area with no disturbance in the area proposed. **Please note that future modification(s) may be submitted by the applicant to allow disturbance within this area without re-notification of adjoining landowners.**

The applicant proposes to mine Aggregate on 630 acres located 4
(Mineral, Ore) (Number) (Miles)
North of Prospect Hill off/near road 1238 Wrenn
(Direction) (Nearest Town) (Number/Name)
in Caswell County.

SEE ATTACHED MAP FOR PROPOSED PERMIT BOUNDARIES AND CORRESPONDING ADJOINING LANDOWNER NAMES AND LOCATIONS

In accordance with G.S. 74-50(b1), the mine operator is required to make a reasonable effort, satisfactory to the Department, to notify all owners of record, both public and private, of all tracts of land that are adjoining the mining permit boundary; if an adjoining tract is owned or leased by the applicant or is owned by the lessor of the mine tract, all owners of record of tracts adjoining these tracts must be notified (that are within 1,000 feet of the mining permit boundary). In addition, the mine operator must also notify the chief administrative officer of the county or municipality in which any part of the permitted area is located. Any person may file written comment(s) to the Department at the above address within thirty (30) days of the issuance of this Notice or the filing of the application for a permit, whichever is later. Should the Department determine that a significant public interest exists relative to G.S. 74-51, a public hearing will be held within 60 days of the end of the 30-day comment period specified above.

A copy of the permit application materials is on file and available for public review during normal business hours at the above listed address as well as at the appropriate regional office. **For information regarding the specifics of the proposed mining activity, please contact the applicant at the following telephone number: (919) 747-6316 or email prospecthill@thesunrockgroup.com**

For information on the mining permit application review process, please contact the Mining Program staff at (919) 707-9220. Please note that the Department will consider any relevant written comments/documentation within the provisions of the Mining Act of 1971 throughout the application review process until a final decision is made on the application.

RE: Mining Permit Application Property Owner Notification
Pursuant to provisions N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. & Ms. Evans:

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC

1612 Mail Service Center, Raleigh, North Carolina 27699-1612, for (check one):

- ☒ a new surface mining permit,
- ☐ a modification of an existing surface mining permit to add land to the permitted area; or
- ☐ a modification of an existing surface mining permit to add land to the permitted area with no disturbance in the area proposed. **Please note that future modification(s) may be submitted by the applicant to allow disturbance within this area without re-notification of adjoining landowners.**

The applicant proposes to mine Aggregate on 630 acres located 4
(Mineral, Ore) (Number) (Miles)
North of Prospect Hill off/near road 1238 Wrenn
(Direction) (Nearest Town) (Number/Name)
in Caswell County.

SEE ATTACHED MAP FOR PROPOSED PERMIT BOUNDARIES AND CORRESPONDING ADJOINING LANDOWNER NAMES AND LOCATIONS

In accordance with G.S. 74-50(b1), the mine operator is required to make a reasonable effort, satisfactory to the Department, to notify all owners of record, both public and private, of all tracts of land that are adjoining the mining permit boundary; if an adjoining tract is owned or leased by the applicant or is owned by the lessor of the mine tract, all owners of record of tracts adjoining these tracts must be notified (that are within 1,000 feet of the mining permit boundary). In addition, the mine operator must also notify the chief administrative officer of the county or municipality in which any part of the permitted area is located. Any person may file written comment(s) to the Department at the above address within thirty (30) days of the issuance of this Notice or the filing of the application for a permit, whichever is later. Should the Department determine that a significant public interest exists relative to G.S. 74-51, a public hearing will be held within 60 days of the end of the 30-day comment period specified above.

A copy of the permit application materials is on file and available for public review during normal business hours at the above listed address as well as at the appropriate regional office. **For information regarding the specifics of the proposed mining activity, please contact the applicant at the following telephone number: (919) 747-6316 or email prospecthill@thesunrockgroup.com**

For information on the mining permit application review process, please contact the Mining Program staff at (919) 707-9220. Please note that the Department will consider any relevant written comments/documentation within the provisions of the Mining Act of 1971 throughout the application review process until a final decision is made on the application.

PO Box 15484
Durham, NC 27704

RE: Mining Permit Application Property Owner Notification
Pursuant to provisions N.C.G.S. 74-50(b1) of The Mining Act of 1971
Proposed: Carolina Sunrock LLC – Prospect Hill Quarry and Distribution Center
1238 Wrenn Road
Prospect Hill, Caswell County, North Carolina 27314

Dear Mr. Morris,

The purpose of this letter is to notify you as a neighboring property owner of Carolina Sunrock LLC's intent to apply for a new Mining Permit to mine sand and granite on property located at the above address. The State of North Carolina requires us to notify neighboring owners of record based upon the provisions N.C.G.S. 7450(b1) of the Mining Act of 1971. Attached to this letter is the official State of North Carolina notice form. For your information, we have also included our proposed mine map indicating our proposed mining permit boundaries as well as our proposed generalized facility layout.

We would also like to invite you to our Community Informational Session about our proposed project. The Information Session will be held, on Monday, September 11 from 6:30 pm to 8:00 pm at the Prospect Hill Fire Station 5 (11621 NC HWY 86 South, Prospect Hill, NC 27314). Food will be served. If you plan to attend, please RSVP via email to prospecthill@thesunrockgroup.com, so we can get an accurate headcount.

Enclosed please find background information about Carolina Sunrock LLC for your reference. You may also find additional information regarding Carolina Sunrock and its operations on our website www.thesunrockgroup.com. However, if you would like any further information or have any questions pertaining to this application in advance of the Community Informational Session or you cannot attend the event, please feel free to call us at (919) 747-6316 or email at prospecthill@thesunrockgroup.com.

Sincerely,
Carolina Sunrock, LLC
